	INFORMATION REPORT	
	Germany (Soviet Zone) Manufacture of Battery Chargers at Elektro-Apparate Werke Berlin-Treptow	
	25X1	
		DATE DISTR. 27 Nov 53
		NO. OF PAGES 1
	THIS DOCUMENT CONTAINS INFORMATION AFFECTIVE THE NATIONAL DEFENSS OF THE UNITED STATES, BITHIN THEMERNING OF TITLE IS, SECTIONS 783 AND 784, OF THE U.S. CODE, AS AMERICED. ITS FRANSMISSION OR REVE-	NO. OF ENCLS.
OEV4	THIS IS UNEVALUATED INFORMATION	SUPP. TO REPORT NO
25X1		
1.	The Elektro-Apparate Werke -Berlin-Treptow (former is currently manufacturing battery chargers for the Czechoslovakia, Poland and Rumania. Both built-in produced. This is not a reparations matter (exceptegular business order. The figures of deliveries since the order was received in September 1952 are 80 large installations for transformer sub-station Czechoslovakia, of which up to now 45 have been sideliveries has already passed.	and portable chargers are of for the Soviet Union), but a to Poland and Czechoslovakia not available, but at least
2.	The write hard to the Soviet Union are almost en	ntirely small sets for portable
	The units built for the Soviet Union are almost enstations, to serve as superchargers for freight to deliveries represent reparations payments. There 1953.	ntirely small sets for portable rucks and tanks. These were 260 in the month of July
